TECHNICAL SKILLS

WHY WE SHOULD WORK TOGETHER

I am a creative artist with the passion, and vision to enhance your company's visual image, and to further its success. I have the ability to conceptualize, and can work well alone, as well as within a team of creatives. Not only do I focus on completing a design meticulously, I also make sure to focus on connecting with my clients in order to really understand what will work best as a solution for you and your company.

EXPERIENCE

JULY 2013 – JANUARY 2014

Graphic Designer PatientPoint

At PatientPoint, I was the graphic designer for branding, marketing and sales. I worked closely with the art director and creative team in order to accomplish all tasks assigned. I took creative lead over multiple projects, and focused on maintaining the corporate identity of the company.

MAY 2013 – JULY 2013

Graphic Design Intern Graphica

I was responsible for maintaining and organizing files and presentations for clients. I also designed Powerpoint slides, charts, layouts, and graphics for multiple projects. I attended meetings to help collaborate and brainstorm all design solutions for companies and their unique brands.

MAY 2012 – OCTOBER 2012

Graphic Design Intern Contech Engineered Solutions

Using my computer and design skills, I organized files, designed email graphics, and edited photography. Important attributes for this job included time management design skills, interpersonal relationships, and conceptual integrity. I also attended marketing meetings to help brainstorm ideas for the company.

AUGUST 2011 – APRIL 2012

Photographer Dayton South YMCA

I used my photography skills of lighting to bring about a new style of sports and spectator event photography to the Dayton YMCA. Photographs that I took were available for sale, and posted onto the business's website as banner graphics and promotional pieces.
